MISSION
Northwestern Oklahoma State University is a community of learners that includes students, teachers, staff, administrators, and area citizens advancing learning excellence and preparing its members for service as leaders and entrepreneurs in the changing climate of northwest Oklahoma and the world.

HISTORY
Northwestern Oklahoma State University is a true product of the hardy spirit that filled the Cherokee Strip within a few hours after its opening. Northwestern opened its doors for the first time on September 20, 1887, with an enrollment of 68 students. The number grew to 166 by the end of the year.

The College, which started as a normal school, was increased to a four-year teachers college in 1919 and was designated Northwestern State Teachers College. In 1939, Northwestern was further expanded to include degrees in liberal arts as well as education. Its official title then became Northwestern State College. In August 1974 an act of the state legislature officially changed the name to Northwestern Oklahoma State University.

The academic program of the university is supplemented and enriched by a vital, well-organized program of out-of-classroom education and a strong effective student enrichment program. A university is just as strong as its weakest part. With this in mind every effort is made to see that the academic program, student activity program, and the climate, which prevails on the campus are in harmony. This is accomplished by use of the best and most recent knowledge and highest quality programs. The university is proud of its faculty, staff, facilities, and its future.

FACTS ABOUT NORTHWESTERN
The university’s main campus is located in Alva, Oklahoma, a city of 5,300 with branches campuses located in Enid (50,000) and Woodward (12,000). The university has more than 415 acres of land with over 36 buildings, including instructional facilities, residence halls, student center, auditorium, gymnasium, athletic facilities & wellness center, television and newspaper facilities, and a farm. The Alva campus library holds over one million books, bound volumes, government publications, and microfiche items with the Enid campus having approximately 4,000.

Enrollment is approximately 2,100 students from 30 states with 81 percent coming from Oklahoma. Northwestern also has approximately 50 international students from around the world. Northwestern is a four-year liberal arts university offering degrees in two divisions—School of Arts and Sciences and School of Professional Studies. Graduate programs are offered in Education and Behavioral Science. Fall classes start in August and are over in December. Spring classes begin in January and finish in May. Summer courses are offered in June and July.

The university is accredited by The Higher Learning Commission and is a member of the North Central Association. Additional program accreditation includes the National Council for Accreditation of Teacher Education (NCATE) for teacher education. The nursing program is accredited by the National League of Nursing (NLN) and is approved by the Oklahoma Board of Nursing. Northwestern is a member of the Oklahoma State System of Higher Education with graduates who are sought after by state, regional, and national employers.

Northwestern offers various types of student organizations, clubs, and activities on all three campuses. Included among these are student government, intramural sports, newspaper, radio and television station, musical and theatrical performing groups, and honor societies.

Approximately 70 percent of Northwestern’s students are awarded academic scholarships, participation scholarships, or some type of financial aid.

ACADEMIC SUCCESS CENTER
The Academic Success Center (ASC) is located in the Industrial Education Building, Room 105, on the Alva Campus. The Center is open Monday through Wednesday 8:00 am to 9:00 pm, Thursday 8:00 am to 6:00 pm, and Friday 8:00 am to 3:00 pm. Contact Joanne Prewett, Director, at (580) 327-8149 or email at jprewett@nosu.edu.

The ASC provides students at Northwestern with a place to study and learn in a friendly, relaxed atmosphere. The ASC has computers, study tables, and testing facilities. We provide peer tutoring for basic Math and English composition courses as well as for general education classes and we have the resources to locate help for upper level classes. The goals of the program include providing academic assistance and support in order for students to realize maximum success and improving students' self-concepts by showing them how to succeed.

The ASC lab is available for any Northwestern student for studying or tutoring, and the ASC computers and printer are available for all students to use. The ASC also helps with testing accommodations when needed. We request that you sign in when you come to the ASC, indicating whether you are there for studying, tutoring, or testing.

ASSESSMENT
Assessment Programs are conducted at Northwestern. The assessment program consists of entry level, mid-level and exit level exams, also included are student opinion alumni surveys.
Entry Level Assessment: Oklahoma State Regents require any student scoring below 19 on the ACT subject tests of English, Math, Reading, or Science Reasoning to participate in secondary testing to ensure correct placement in college courses. Northwestern uses Accuplacer’s Computerized Placement Test (CPT) to accomplish this. The CPT is a success-oriented assessment with immediate scoring capability to be used in the advising of students. There is no charge for the CPT, which is administered through the Recruiting Office. Beginning in Spring 2005 students may be allowed to retake under certain conditions. Contact the Office of Recruitment or Academic Success Center for details.

Mid-Level Assessment: Mid-level assessment will be conducted each fall for those students who have completed the prescribed number of semester hours and courses.

Program Outcomes Assessments: (Exit Exams) Graduates will be tested in their major field of study.

Student Satisfaction Assessment: Students will be surveyed to gather opinions of the campus environment as well as to determine student satisfaction. The information gathered will be used for planning academic and campus programs and services. The survey will be conducted in the spring semester.

Alumni Survey: Each graduating class will be surveyed one to three years after graduating depending on the department from which they graduated.

CHANGE OF SCHEDULE
The student assumes responsibility for the correctness of his/her study program. The appropriate form requesting change of schedule is obtained from the registrar. Students may add a class during the first 7 class days of a semester (or the first 5 days of the summer session) without an instructor’s signature. Students may drop a class during the first 10 class days of a semester (or the first 5 days of the summer session) with no grade or instructor signature. Schedule changes for summer classes of less than 8 weeks are prorated accordingly insofar as grade assignment and obtaining of instructor signature. Advisor approval is required on all class enrollments and schedule changes. Course additions are not permitted after the above stated deadline.

An AUTOMATIC ’W’ will be issued during weeks 3-8 of a regular semester (2-4 during the summer session of 8-week classes, and prorated accordingly for classes of less than 8 weeks). The approval of both the advisor and instructor are required. Instructors have the OPTION of issuing either a ’W’ or ’F’ during weeks 9-14 of a regular semester (6th - 7th week of summer for 8-week classes) and both instructor and advisor approval are required.

LAST DAY TO DROP CLASSES is two weeks prior to the end of a regular semester (or one week for the summer session of 8-week classes).

FINANCIAL ASSISTANCE
Eligibility for participation in the assistance programs is established through completing the Free Application for Federal Student Aid (FAFSA).

These applications enable access to all the Oklahoma and federal assistance programs (grants, loans, and work). Applications may be obtained from the high school counselor’s office, from the Financial Aid Office at the Atoka or Enid campus, at the Deans office at the Woodward campus, or on the web at www.FAFSA.ed.gov. Applications should be completed and mailed for processing as soon as the preceding years income tax computations are completed. Annual reapplication is required for all assistance programs. The Northwestern Financial Aid Office is located on the first floor of Herod Hall on the Altus campus and in Room 102 on the Enid campus.

SCHOLARSHIPS
Northwestern scholarships are awarded to scholars and students who are proficient in business and the performing arts (debate, theatre, music, as well as in Mass Communications). Athletic scholarship awards are granted through the Athletic Director or the individual coach.

Annual applications are a prerequisite for all scholarship awards. Scholarship applications are available from the high school counselor, the Northwestern Office of Recruitment, the Northwestern Financial Aid Office, or the Northwestern web site.

Scholarships for the exceptionally talented can provide tuition and partial campus housing costs. Other awards are tailored to the academic credentials presented and/or the audition results. Each applicant is individually evaluated by committee members involved in the applicant’s stated objective or skill areas.

Continuing student and transfer student scholarships provide a substantial incentive to outstanding students. Most Northwestern scholarships are structured to provide assistance in meeting tuition costs.

Earliest consideration for freshman scholarship awards are given when the completed Northwestern application with a six or seven semester high school transcript and record of ACT scores are received in the Scholarship Office by March 31st. Freshman scholarship applications must be received no later than May 15th. Continuing and transfer scholarship applicants are evaluated when all current course work is completed and cumulative grade point averages are available. Continuing student scholarship applications are due by March 15th. Transfer student scholarship applications are due by July 15th.

HONORS AND AWARDS
PRESIDENT’S HONOR ROLL. The honor roll consists of all students who during the semester, have enrolled and completed not fewer than 12 semester hours with all "A's" or a 4.00 grade-point average. Students who have incomplete grades will not qualify for the honor roll.

VICE PRESIDENT’S HONOR ROLL. The honor roll consists of all students who during the semester, have passed in all courses, aggregating not fewer than 12 semester hours with an average of 3.5 or higher. The honor roll is published at the close of each semester. Students who have incomplete grades will not qualify for the honor roll.

WHO'S WHO. Each year "Who's Who Among Students in American Universities and Colleges" recognizes students from approximately six hundred colleges and universities in the United States and Canada. In selecting students to be recommended, the campus nomination committees are asked to consider outstanding effort and accomplishment in academic work,
extracurricular activities, and service to the school.

**JOHN F. KENNEDY MEMORIAL AWARD.** The Northwestern Oklahoma State University Student Government Association has established the John F. Kennedy Memorial Award in order to honor the memory and ideals of the late president.

Each year the Award will be given to a student of the senior class who most nearly possesses and exemplifies the following qualities: Service to the university, community and country; leadership; and a healthy, aggressive attitude toward academic work. The recipient is selected by a standing committee of the Student Senate composed of six senators of the junior class and the Vice President for Student Affairs and Enrollment Management. The selection must be ratified by members of the Student Senate.

**ABSENCES/TARDIES**
Attendance in class is a student responsibility and is expected. Only absences described as authorized or unavoidable will entitle students to perform makeup work at the discretion of the course instructor. Each faculty member will determine his or her attendance policy. An instructor may require between 75 and 90 percent attendance for credit in the course. According to school policy, students must attend class at least 75 percent of the time to receive credit. Excessive tardies may affect one's attendance at the discretion of the individual's instructor.

**DEGREE AUDITS**
Degree audits are available online and you can also request them from the Registry office usually following the completion of 45 credit hours. The degree audit is only a guide and not an official document. The student has the ultimate responsibility for fulfilling all the requirements for the degree.

**GRADE APPEAL**
A student may appeal any grade received. The procedure is as follows:

1. Contact the instructor and confirm that the assigned grade is correct.
2. Write a letter of appeal to the Executive Vice President.

A student will have a maximum time limit of six months from the moment that a grade is issued to appeal that grade.

**ACADEMIC STANDARDS AND RETENTION POLICIES**
The following standards relating to retention of students pursuing study in undergraduate programs will apply at all institutions in the Oklahoma State System of Higher Education. For continued enrollment at any institution in the State System, a student must have earned a cumulative grade-point average as indicated below:

<table>
<thead>
<tr>
<th>Hours Attempted</th>
<th>Grade Point Average</th>
</tr>
</thead>
<tbody>
<tr>
<td>0 to 30</td>
<td>1.70</td>
</tr>
<tr>
<td>Greater than 30</td>
<td>2.00</td>
</tr>
</tbody>
</table>

Any student not maintaining satisfactory progress toward his/her academic objective as indicated above will be placed on probation for one semester. At the end of that semester, he/she must have a semester GPA of 2.00 in a minimum of 12 hours of regularly graded course work, not to include activity or performance courses, or meet the minimum cumulative GPA standard required above in order to continue as a student. Students not meeting either of these criteria will be immediately suspended and may not be reinstated until one regular semester (fall or spring) has elapsed.

Any student who achieves a grade-point average of 2.00 or above in the last semester in which he/she was enrolled, will be considered to be making satisfactory progress regardless of his/her cumulative grade-point average.

A senior who has failed to meet the cumulative grade-point average of 2.00 may enroll in an additional 15 semester hours in a further attempt to achieve the requirements for graduation.

Any student suspended due to insufficient academic progress may appeal the suspension to the Academic Suspension Appeals Committee by contacting the Office of the Vice President for Student Affairs and Enrollment Management, FA 126.

**COMPLAINT PROCEDURES**
Any student may file a formal written complaint if he/she believes that he/she has not been treated appropriately by a faculty member, administrator, or staff member. The complaint should be addressed to the Supervisor of that particular department or office. It is the responsibility of the appropriate supervisor to respond to the complaint. A form is available on the Northwestern website for filing a formal complaint. Formal complaints that have been addressed to the President, the Executive Vice President, the Vice President for Administration, or the Vice President for Student Affairs and Enrollment Management will be filed in the Office of Assessment and will be available for review by the Commission on Institutions of Higher Education of the North Central Association. In accordance with privacy policies, the identity of individuals will be protected.

**GRIEVANCE PROCEDURES**
Students may file a formal written grievance concerning campus or classroom problems that lack written policies. The student must first have attempted to resolve the matter by informal resolution. The student is responsible for attempting to resolve the matter by bringing the issue to the attention of the individual whose action is grieved. If the student feels that the issue is not resolved he/she may bring the issue to the attention of the supervisor for that particular department or office. A form is available on the Northwestern website for filing a grievance. All parties will be allowed to participate in the informal resolution. When filing a formal written grievance the grievance must be addressed to the individual whose action is being grieved, to the immediate supervisor, and to the appropriate dean or vice president. If an appeal is made to the president, the president will review previous decisions at lower levels and may render a decision or make recommendations.

Issues that have a written policy in place for addressing student grievances or appeals must be pursued in accordance with those policies. Examples include grade appeals and disciplinary action.

**COMPLETE WITHDRAWAL FROM NORTHWESTERN**
Students wanting to completely withdraw from Northwestern Oklahoma State University may do so in person or over the telephone. Alva students should initiate the withdrawal process in the office of the Vice President for Student Affairs and Enrollment Management located on the first floor of the Fine Arts Building or by calling (580) 327-8414. Enid students should contact the Dean's office at Enid or call (580) 213-3105. Woodward students should contact the Dean's office or call (580) 254-2501. Oklahoma State Regents for Higher Education policy allows for a 100 percent refund of tuition during the first two weeks of the fall and spring semesters (first week during the summer semester). Withdrawals processed after that point will not receive a refund on tuition/fees. Title IV financial aid recipients who enroll in an IV funded program must complete an application for withdrawal before the 60 percent point in the semester will be billed for all money required to be returned to the federal government. The billing amount will be equal to 40 percent or more of the student's total tuition/fee charges for the semester. The formula for aid return is available in the Financial Aid Office located in Herod Hall on the Alva campus.

**HOUSING**
Northwestern has four residence halls that are staffed and equipped to provide an environment that will help students reach their highest potential both academically and socially. Coronado
and Ament Hall house male students, and South and Fryer Hall house female students. The residence halls at Northwestern are equipped with air conditioning, television lounges, recreational areas, and microwaves, washer/dryer services and vending machines that are accessible to all of the residents. Northwestern students in good standing with the Alva and Enid campus libraries may request an OK-SHARE library card available at the circulation desk. Northwestern students at Woodward should contact the Alva campus. This card, different from the Northwestern library card, allows students to check out library books on site at any of our state-supported colleges and universities and at most of Oklahoma's private institutions. Northwestern will return the books to the home library if brought to the Alva or Enid campus one week before the due date. This service compliments our traditional interlibrary loan program, also available to students and faculty, in which books and journal articles can be borrowed from other libraries.

CAMPUS MEDIA
Three mass media outlets serve the university community. A campus newspaper, radio station, and television station inform and entertain the campus community and provide practical experience to students interested in the mass media.

These three mediums are all operated as laboratories of the mass communications program in the School of Arts and Sciences. The campus newspaper, the Northwestern News, is
published weekly. Its offices are in Jesse Dunn Annex 232-234. The radio station, KNSU, is located on the first floor of the Jesse Dunn Annex, offering programming five days a week throughout the school year. The television station, NWTV-Channel 7, produces weekly and special programming from its studio on the first floor of the Jesse Dunn Annex. Channel 7 is available to all Alva cable subscribers.

Students actually manage and operate each of these medium under the direction of faculty advisers. All students, regardless of major, are welcome to be involved with any of the campus media. Most of the media staff is filled by volunteers; however, there are a few paid positions within each area. For more information about working with campus media, please contact Communication Chair Tamara Brown at (580) 327-8429 or tbrown@nwosu.edu.

By logging into RangerNet students can view financial aid information, any hold’s, unofficial transcripts and much more. Students employed by the University may also view payroll information by accessing RangerNet.

EMAIL ACCOUNTS
All students enrolled at Northwestern are required to use a university email account. Students’ email accounts will usually be created within 24 hours after their enrollment is processed. You can get complete instructions and policies by going to www.nwosu.edu/e-mail-access. Be sure to read all of the documents on that page.

It is extremely important that students open this account and check it regularly to receive vital information from the registry office, business office, financial aid office, faculty members, student services, campus organizations, administrators, and other campus entities. It is the student’s responsibility to check the email account to remain informed about issues affecting their status at the institution.

Policies and Procedures Access to Networked Information Resources: Staff and students may employ electronic mail as a tool for communications. The University may rely upon this medium to communicate information, and staff and students will be responsible for checking and reading messages. All Northwestern students, faculty and staff will receive and be required to use Northwestern email accounts for email correspondence.

The network is provided for staff and students to conduct research and communicate with others. Communications over the network are often public in nature; therefore, general rules
and standards for professional behavior and communications will apply.

The network is primarily intended for the use of students and staff. Others wanting access to the network including PC’s in labs must first check with the supervisor of the equipment and pay fees as set by the University.

Electronic mail and telecommunications are not to be utilized by employees and students to share confidential information about students or employees.

Network administrators may review files and communications to maintain system integrity. Users should not assume that files stored on university servers will be private. (See Electronic Communications Privacy Act 18 USC §2701 (1988).)

The following behaviors are not permitted on university networks:

• Engaging in practices that threaten the network (e.g., loading files that may introduce a virus or installing software not previously approved). Downloading and installation of software is only allowed with prior approval from Information Technology. This also applies to the installation of hardware.
• Violating copyright laws. For example, copying or downloading movies, music or other copyrighted materials is against the law. Peer to peer sharing of the copyrighted materials is also against the law.

VETERANS
Northwestern Oklahoma State University assists students who are eligible to receive educational benefits from the Department of Veterans Affairs. All degree plans offered by Northwestern Oklahoma State University have been approved by the State Accrediting Agency for payment of federal benefits.

The Northwestern Veterans Affairs Office will certify enrollment for payment of VA Educational Benefits for all students who meet eligibility criteria as set forth by the Department of Veterans Affairs.

The Northwestern Veterans Affairs Office maintains a positive working relationship with the Veterans Affairs Regional Office and other educational institution’s veterans affairs offices. This enables us to assist our students with VA and educational problems in a more effective manner. We are here to provide assistance in contacting other VA sources and to provide guidance in solving any problems they might encounter at the university.

Service to the student is our main objective. It is our goal to assist students in receiving all VA educational money they are entitled to and to receiving it in the most timely manner.

Veterans or veterans’ dependents interested in using their GI Bill benefits should contact the office of the Vice President for Student Affairs and Enrollment Management to determine what documents are required at the time of enrollment to avoid delay in processing. If you cannot verify your immunizations you will need to be re-immunized. Medical, religious and personal exemptions are allowed by law and such requests must be made in writing using the Northwestern Student Immunization form at www.nwosu.edu/student-health-services.

In order to enroll as a full-time or part-time student at Northwestern, Oklahoma law requires students to provide written documentation of vaccinations against Hepatitis B and Measles, Mumps, and Rubella (MMR) using the NWOSU Student Immunization form at www.nwosu.edu/student-health-services. This applies to all students of any age or at any stage of their education. Exemptions from this requirement may be made by providing a written statement from a physician stating that the vaccine is medically contraindicated or by signing a waiver. These vaccinations can be obtained from your family doctor or your community’s health department.

STUDENT DISCIPLINARY PROCEDURES

General Information: Misconduct is considered a matter of concern to the university. Reports of misconduct variously labeled offensive, unacceptable, destructive, and in violation of regulations are referred to the Vice President for Student Affairs and Enrollment Management for investigation and determination of appropriate action, if any. The Director of Students will review with the student the nature of the complaint. The Director of Students has the responsibility for handling the case on a person-to-person basis and for collecting and interpreting information bearing on the allegations or reports made about the student's behavior relating to the complaint. The Director of Students will make a decision pertaining to the disposition of the case and will inform the student of the decision. A student who feels that he/she has been treated unfairly has the right to request a hearing before the Vice President for Student Affairs and Enrollment Management.

Penalties: Penalties for violation of university regulations or public law may include one or a combination of the following sanctions:

**Warning** — the imposing of specified restrictions, including but not limited to, letter of apology,
of the committee, such number to be determined by the President of the University.

To initiate an appeal — A student must make the request. The request and reason for appeal shall be made in writing, by hard copy, signed, and dated, to the Vice President of Student Affairs and Enrollment Management within twenty-four (24) hours (not including state holidays or weekends) after the disciplinary decision is rendered. If the student appeals a decision of suspension, expulsion, degree revocation, or rescission of credit, the decision will not become effective until after a hearing before the committee on Student Conduct, unless a temporary suspension remains in place in accordance with the policies herein.

Explanation of Rights — Prior to the commencement of any disciplinary action provided for herein, the conduct officer, or a representative, shall explain to the accused student the student's rights under the terms and conditions of these rules and regulations.

Hearing Before Committee on Student Conduct — Procedures: The conduct officer, will notify the accused student in writing of the date, time, and place of the hearing, the reason for the hearing, and the procedures and possible outcomes. All hearings are closed and information presented in them and all supporting documents are confidential.

During the hearing, the accused student may be accompanied by an advisor of the student’s choice so long as the availability of the advisor does not hamper the timeliness of the hearing. The student may choose to have an attorney serve as an advisor; however, the advisor does not represent the student in a student conduct hearing and the student will be expected to speak for him/herself at all times. During the hearing, the student has the opportunity to offer information on his/her own behalf and to review all information, statements, or evidence presented. The chair of the committee will decide any questions or objections to hearing procedures that are raised during the hearing.

Members of the committee may ask questions of any person present during the hearing and the chair will invite questions and comments from the accused student if present. Since decisions are based only on the preponderance of evidence introduced at the hearing, if the committee decides an essential person or piece of information is missing, the chair may reconvene the hearing at the earliest practical time that the missing information will be available.

After the chair has determined that all necessary information has been presented and questions answered, the committee will go into closed session and all other persons will be excused. The committee will determine whether or not it believes the accused student is responsible for a violation of the regulations and, if so, whether the penalties determined by the conduct officer are reasonable.

The committee hearing will result in one of two outcomes:

A. Determination is affirmed; or
B. That the conduct officer’s determination be modified or reversed in accordance with the committee’s recommendation.

The committee’s decision shall be final unless within three (3) days following the entry thereof, the student lodges a written appeal with the president of the university. Appeals with the president shall relate to procedural matters only.

Expulsion Hearing Before Committee — When expulsion is a possible sanction due to the seriousness of the offense, the Oklahoma Administrative procedures Act relating to disciplinary expulsions will apply. (See, RUSO policy 4.3.8 and 75 O.S. § 309 et. Seq., as amended).

INFECTIONOUS DISEASE
Northwestern will analyze individual circumstances and respond to each person with any type of infectious disease on a case-by-case basis. The university recognizes that no single policy statement can govern every situation; thus, individual cases shall be considered on their own needs and merits.

Students with diagnosed infectious diseases will be allowed normal access to the university as long as they pose no health risk to other students or employees. They shall have the same rights as other students, free of discrimination on the basis of their infection.

Students with a diagnosed infectious disease will have access to counseling and health services. Northwestern will establish communication and referral links to community and state agencies to assist in providing supportive services. Confidentiality will be carefully maintained in accordance with all legal requirements. Information about infectious diseases may be obtained in the office of the Vice President for Student Affairs and Enrollment Management.

DRUG-FREE SCHOOLS POLICY STATEMENT
Northwestern Oklahoma State University (NWOSU) recognizes that drug and alcohol abuse diminishes the integrity of the institution and erodes the strength and vitality of its human resources. It is the intent of the University to educate students and employees about the dangers of drug and alcohol abuse, and to discourage the illegal use, manufacture, possession, dispensation, and distribution of drugs and alcohol. Accordingly, Northwestern adopts the following policy:

The unlawful manufacture, possession, use, dispensation or distribution of illicit drugs and alcohol by students and employees on Northwestern property, or as a part of any University sponsored activity, is strictly prohibited. All students and employees must abide by this policy as a condition of enrollment or employment. Continuance of employment or enrollment following receipt of this policy constitutes acceptance of this policy by the employee or student. Sanctions will be imposed for violation of this policy.

SANCTIONS
Under Federal and State Regulations, the University must impose sanctions for violation of its Drug-Free Schools Policy. University sanctions include but are not limited to reprimand, restriction of activities, conduct probation, suspension, expulsion, and termination of employment. The University may also require the completion of an approved rehabilitation program at the employee’s or student’s expense. A federal or state drug conviction can disqualify a student for Federal Student Aid (FSA) funds. Students convicted of possessing or selling illegal drugs while receiving Title IV FSA funds may be ineligible to receive additional funds for a time period depending on whether the conviction was for possessing or selling illegal drugs or whether the student has previous offenses. To regain eligibility, contact the Director of Student Life and Counseling at Northwestern. It should be noted by employees that they are also subject to the University's Drug-Free workplace policy. Employees are referred to that policy for additional sanctions.

It is also within the discretion of the University to refer any violations to the appropriate authorities for criminal prosecution. Local, State, and Federal laws provide for a variety of legal sanctions for the unlawful manufacture, possession, use, dispensation, and distribution of drugs and alcohol, including incarceration and monetary fines.

SEXUAL ASSAULT HARASSMENT AND STALKING POLICY
Northwestern Oklahoma State University does not condone any form of sexual misconduct whether physical, mental, verbal, or emotional in nature. This includes actions that are demeaning and includes but is not limited to: rape, acquaintance rape, sexual battery, and sexual harassment. Sexual misconduct by any member of the university community including students, faculty, or staff is a violation of both the law and the Regent University System of Oklahoma's policy. In order to create a safe and healthy environment, it is the responsibility
of faculty, staff, and students to report any sexual misconduct to university officials. If there is probable cause to believe the university's policies prohibiting sexual misconduct have been violated the university may pursue the matter as misconduct warranting disciplinary action by the university, even if law enforcement and authorities choose not to prosecute.

Examples of Prohibited Conduct
Conduct prohibited by this policy may include, but is not limited to:
- Unwelcome sexual flirtation, advances or propositions for sexual activity.
- Continued or repeated verbal abuse or a sexual nature, such as suggestive comments and sexually explicit jokes.
- Sexually degrading language to describe an individual.
- Remarks of a sexual nature to describe a person's body or clothing.
- Display of sexually demeaning objects and pictures.
- Offensive physical contact such as unwelcome touching, pinching or brushing the body.
- Coerced sexual intercourse.
- Actions indicating that benefits will be failed or lost based on response to sexual advances.

Reporting
Cases of sexual misconduct should be reported to the Campus Police; local criminal justice system; and/or Vice President of Student Affairs and Enrollment Management at Northwestern. All reports of sexual misconduct will be filed with the Northwestern Affirmative Action Compliance Officer. (In order to best preserve evidence campus police/law enforcement officials should be contacted as soon as possible after an assault has occurred.)

The Northwestern Police Department in complying with the notification requirements of the federal "Campus Sex Crimes Prevention Act" would like to notify the local community that sex offender registration information for any students, employees, or residents of the college may be found at the Northwestern Police Department Office in the Student Center.

Oklahoma state law O.S. Title 57, §583-584 requires that anyone required to register as a sex offender do so with both their local law enforcement (municipal or county) agency at their residence and also with the police or security department of any institution of higher learning in which they are enrolled as a student (full-time or part-time), are an employee (full-time or part-time), or resides (or intends to reside or stay) on any property owned or controlled by the institution of higher learning.

Retaliation
Any attempt to penalize or retaliate against a person for filing a complaint or participating in the investigation of a complaint of sexual misconduct will be treated as a separate and distinct violation of the Sexual Misconduct Policy.

Sexual Misconduct
It is possible that a particular action may constitute sexual misconduct even if not specifically mentioned in these examples:

"Rape" means all acts of sexual intercourse involving oral, vaginal, or anal penetration accomplished without consent and with a male or female (who may be of the same or opposite sex as the perpetrator).

"Rape by instrumentation" means any act in which any inanimate object or any part of the human body, not amount to sexual intercourse, is used in the carnal knowledge of another person without his or her consent and penetration of the anus or vagina occurs to that person.

"Sexual battery" shall mean the intentional touching, mauling or feeling of body or private parts of any person in a touching of a person's genitalia, buttock or breasts.

"Sexual harassment" includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical contact of a sexual nature when:

- a. submission to such conduct is made explicitly or implicitly a term or condition of leadership, membership in an organization, student social events, academic standing or participation in any University activity;
- b. submission to or rejection of such conduct by an individual is used as a basis for evaluation, particularly in making employment or academic decisions that affect the individual; or
- c. such conduct has the purpose or effect of unreasonable interfering with the other individual's performance or creating an intimidating, hostile, or offensive educational and University environment.

"Domestic Violence" occurs within the relationship of two persons who are married, formerly married, or cohabitating.

"Dating Violence" occurs between two persons who are dating and not yet in a formal relationship. Characteristics of relationship violence include physical behavior such as slapping, pulling hair, punching; threats of abuse such as a threatening to hit, harm, or use a weapon; verbal abuse; emotional abuse; or other forms of harassment.

"Stalking" is the willful, malicious and repeated following or harassment of another person in a manner that would cause a reasonable person or a member of the immediate family of that person to feel frightened, intimidated, threatened, harassed, or molested; and, causes the person being followed or harassed to feel terrorized, frightened, intimidated, threatened, or harassed or molested. Such behavior includes, but is not limited to: following/approaching within the sight of the individual, approaching/confronting that individual in a public place/private property; appearing at the workplace, classroom, or residence of an individual; threatening or obscene gestures; repeated/continued non-consensual communication, including personal contact, telephone calls, voice messages, electronic mail, written correspondence, unwanted gifts, etc.; consensual touching; trespassing; vandalism; surveillance or other types of observation.

Facts about Sexual Misconduct
Some people have the wrong idea about sexual assault. They think the assailant was overcome with sexual desire, the victim was dressed too seductively or "asked for it," or that all victims wanted sexual contact.

These ideas assume that sexual assault is motivated by passion; it isn't. Sexual assault is a violent crime, a hostile attack, an attempt to hurt and humiliate. Sexual assault occurs with increasing frequency, but remains the most under reported crime in the criminal justice system. Three out of four women will be victims of at least one violent crime during their lifetimes.

In more than one-half of reported rapes, the rapist is an acquaintance, neighbor, friend, or relative. Acquaintance rape is less likely to be reported to the authorities than rape by a stranger. Acquaintance rape frequently occurs under circumstances where the victim, the attacker or both have been drinking or are intoxicated. The victim of an acquaintance rape may not recognize it as a crime or consider the incident a rape.

"Lack of consent" means:
- a. the victim has not given consent
- b. the victim is incapable of giving consent because of mental, developmental, or physical disability, or lack of legal age of giving legal consent.
c. force or violence is used or threatened, accompanied by apparent power of execution to the victim or to another person
d. the victim is incapable of resisting or giving consent as a result of being intoxicated by alcohol, beer, or being under the influence of drugs; or
e. the victim is, at the time, unconscious of the nature of the act.

What should you do if you’re a survivor of sexual assault?
• Go to a safe place
• Do not douche, bathe, shower or change clothes
• Report the rape to authorities
• Seek counseling and support
• How to help a Friend
• Believe the survivor. People rarely make up stories about being a sexual assault victim.
• Be there and listen and support the survivor
• Be patient
• Let the survivor be in control of the situation and who to tell.
• Be aware there will be strong feelings

Resources for Survivors or Sexual Assault, Stalking, Dating Violence and Domestic Violence Services are available to survivors of sexual assault and relationships violence both at the University, the State and the national level and a partial listing are located on the Prevention of Violence Against Women Website at www.nwosu.edu/violence-prevention-program. Anyone needing help can receive services free of charge. If at all possible a sexual assault survivor, who has the option of going for help at the nearest emergency room, should not shower, change clothes or brush their teeth. Survivors are encouraged to call the campus police or local law enforcement if they so prefer. It is up the survivor if prosecution is pursued.

Northwestern has a low crime rate. Most crimes on campus are "crimes of opportunity" in that the crime would not have occurred if the items had been properly secured or watched. Northwestern encourages students and employees to report all crimes that occur regardless of the seriousness of the crime. All crimes reported will be investigated, and action will be taken to solve the crime. In addition, Northwestern Campus Police work closely with the Enid City Police, Woodward County Sheriff's Department, and the Garfield County Sheriff's Department, and Northwestern has mutual aid agreements with the surrounding law enforcement agencies. Copies of reported incidents are taken to these departments so that their officers assist Northwestern in solving the crimes. A "Crime Awareness" brochure is published and updated annually to keep our students and employees informed of crime statistics on campus for the most recent school years. Northwestern Oklahoma State University has a tip line for reporting crimes anonymously. The number can be called 24-hours a day. The number to call is (580) 327-8196. ALL CALLS ARE ANONYMOUS.

REPORTING THE ARMED INTRUDER AND DECLARING A LOCKDOWN

Anyone who sees an armed intruder on campus is asked to report the suspect to campus
police or other law enforcement officials at the following telephone numbers:
Alva Campus – (580) 327-8511, (580) 430-5114 or 911
Enid Campus – (580) 213-3130, (580) 541-0895 or 911
Woodward Campus – (580) 254-8518, (580) 256-5284 or 911.

When reporting an armed intruder, please provide as much information as possible on the
intruder, such as clothing worn, types of weapons and exact location of the intruder. Once
law enforcement officials receive the report, the process of ordering a campus lockdown will
commence and local law enforcement officials will immediately converge on campus. Only
the campus affected will be placed on lockdown.

Activating the Campus Alert System (Text Messaging System)
Following the declaration of a lockdown, the campus alert system will be activated. Lockdown
text messages will be sent via personal cell phones and the lockdown order will be flashed on
all television monitors in ITV rooms. Assigned faculty and staff will begin the process of locking
down all buildings on the campus affected. Employees and students will be given updates,
including the status of classes and an “all clear” message when movement on campus is safe.
In order to participate in the cell alert system, all students, faculty and staff must register their
cell phones with the RangeNet.

Actions by Employees and Students
First, students are asked to obey all commands given by employees or through the campus alert
system. During an incident on campus that forces a lockdown order, students should remain
in the classroom or building until told to leave. Students with special needs will be assisted
by faculty or staff. Faculty and staff should secure classrooms and offices, close blinds and
turn off room lights. Students should be moved away from doors or windows, remaining calm
and quiet until the “all clear” message is given by campus police.

On the Alva Campus, residence hall staff will secure all doors in Ament, Coronado, Fryer and
South Halls. Residents are asked to stay in their rooms and lock their doors.

Students and employees should remember that many campus buildings could be considered
crime scenes and that tampering or disturbing evidence is prohibited.

Summary
The goals of Northwestern's response plan are to protect the lives of students and employees.
In the event of an incident on campus, the University will work closely with local law enforcement
to secure the campus in a quick and thorough manner. Understanding the elements of our
response plan, providing the campus alert system access to your personal cell phone number,
obeys commands and remaining calm will increase your safety in the event of an armed
intruder on campus. Students and employees are also asked to report any suspicious activity
or behavior that could prevent such an incident.

Northwestern student is missing, the Campus Police will be the law enforcement agency to
contact. The number to call is (580) 327-8511.

TIMELY WARNING POLICY
The Clery Act requires that a Timely Warning be issued alerting all faculty, staff and students
of any incident that occurs on or in the community that poses a continuing threat to employees
and students.

on campus or in the community that poses a continuing threat to the safety or welfare of
employees and students. Warnings and updates will be disseminated by Campus Police
through the University's e-mail system and the University's web site at www.nwosu.edu.

FIREARMS
It is against the policy of the Regent University System of Oklahoma and Northwestern
Oklahoma State University to have firearms on our campus. Northwestern will strictly enforce
this policy with administrative action being taken or criminal charges filed for any person(s)
who violates this policy.

Students who live on campus and have a legitimate reason to have a firearm with them (such
as hunting wild games that is in season), may make arrangements through the Northwestern
Campus Police to check the firearm out when the student leaves campus for hunting purposes
or to return to their residence. Please talk to a campus police officer prior to bringing the firearm
on campus for details of this service.

Alva City Police Department has also agreed to check firearms in and keep them in a locker
at the Alva City Police Department. Students wishing to use their service should contact the
Alva City Police Department.

We ask that students be aware that secure storage space at both facilities is limited. If a
student has a friend or relative who lives off campus, they should consider that as an option
for storage of their firearms.

AMERICANS WITH DISABILITIES HANDBOOK
MAY 2009

This handbook has been prepared to introduce faculty, staff and students to the universities policy on reasonable accommodations for students with disabilities who qualify for services under the Americans with Disabilities Act (ADA), which reaffirms Section 504 of the Rehabilitation Act. Reasonable accommodations encompass both physical access and academic modifications for those individuals with identified and documented disabilities to enhance their capacity to perform to the best of their ability.

Northwestern Oklahoma State University is committed to the goal of achieving equal educational opportunity and full participation for students with disabilities in higher education. We recognize the underused potential of individuals with disabilities and realize the importance of higher education for this special population. It is with them in mind that this handbook was prepared. It is hoped that the faculty and staff will enhance the disabled student and assist them in all possible ways. Disabled Student Services is committed to serving all students with disabilities as defined by federal regulations. A person who qualifies for special accommodation means: An individual with a disability who, with or without reasonable modifications to rules, policies or practices, the removal of architectural, communications, or transportation barriers or the provision of auxiliary aids and services, meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by a public entity. The federal definition of a disability includes a person who:

146
(1) has a physical or mental impairment which substantially limits one or more of such person's major life activities (functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working).
(2) has a history of such impairment or
(3) is regarded as having such impairment.

HOW TO ACCESS SERVICES
Students with disabilities who wish to access services shall initiate their request by contacting the Coordinator of Disabled Student Services. Students can expect to meet with a staff member to discuss their academic needs. During this process, students will have an opportunity to identify specific academic accommodations which they need.

1. Student must submit documentation from a qualified professional as to the nature of the disability before receiving services. In the case of a medical disability, documentation from a physician is appropriate. Students with learning disabilities or Attention Deficit/Hyperactive Disorder must submit documentation from one of two sources:
   a. Students diagnosed prior to graduation from an accredited high school may submit the psycho-educational evaluation on file at the respective high school;
   b. Students diagnosed after the completion of high school must submit a psycho-educational evaluation performed by a licensed psychologist.
2. Student must submit the request in writing at the beginning of each semester or at the time a need is identified.
3. Student must complete a Release of Information form.
4. Student must identify themselves to their instructors and request specific accommodations. Consultation among the student, his/her instructor(s) and the Coordinator of Student Disabled Services may be necessary before some accommodations are authorized.

To ensure that accommodations are met in a timely fashion, all documentation should be in place beginning with the 2nd week of classes. In case of late diagnosis, the student should have the documentation in place as soon as possible. The student is expected to confer with the Coordinator of Disabled Student Services at the beginning of every semester in which he/she is enrolled at Northwestern Oklahoma State University.

Each student is encouraged to act as his/her own advocate and has the major responsibility for securing assistance. Early and regular contact with the Coordinator of Disabled Student Services will help ensure services and accommodations. Information obtained is confidential and is used solely for the purpose of identifying appropriate support services. Information regarding a student's disability is not released without written permission of the student. The office will provide instructors with written verification of a student's disability after the student and instructor have discussed options available.

FACULTY NOTIFICATION OF SERVICES TO STUDENTS
Faculty should include the following statement in their course syllabi each semester:
Any student needing academic accommodations for a physical, mental or learning disability should contact the Coordinator of Disabled Student Services or faculty member personally, within the first two weeks of the semester so that appropriate accommodations may be arranged.

SERVICES AVAILABLE
The Coordinator of Disabled Student Services is committed to encouraging students to be independent. We do not wish for students to become dependent on services but instead to use services as a support to accomplish their academic goals. Reasonable accommodations are based on need not desire.

The Coordinator of Disabled Student Services works with students to help remove barriers encountered on campus.

This could include moving classes to accessible buildings, facilitation of ramps or curb cuts, placement of adjustable tables in classrooms, assist with concerns with electronic based access, and acting as a liaison with faculty and staff.

Students are encouraged to experiment with services and develop a package of services which allows them to remain as independent as possible on campus. Students should be aware that services will be designed in a manner intended to remove barriers in the classroom which could hinder a student's ability to learn. Services are not intended to give the student an unfair advantage over other students in the class.

Each case will be viewed individually and determinations made based upon the documentation submitted. Services on an individual basis may include:
* assistance in obtaining class notes
* alternate testing accommodations
* assistance in obtaining texts in alternative formats
* assistance in obtaining an interpreter
* priority enrollment
* building accommodations
* additional accommodations when necessary.

Note-taking
Students may arrange for note-taking assistance by securing a volunteer note-taker or by tape recording lectures. If a volunteer note-taking option is selected, the student with a disability may request a volunteer note-taker packet which includes carbon copy paper. Students with disabilities are responsible for obtaining volunteer note-takers for the classes in which they desire this assistance. If the tape recording option is selected and a student does not have a tape recorder, students with disabilities may check-out a tape recorder from the Coordinator of Disabled Student Services. Students are responsible for the return of tape recorders at the conclusion of each semester or they will be billed for the cost of the equipment.

Alternative Testing
The service is designed to assist the student with a disability in demonstrating his/her skills or acquired knowledge. The student should personally talk with his/her instructor during the first week of classes to explain the alternative request. Instructors may contact the Coordinator of Disabled Student Services if there are questions about the request or procedures. The student should agree on an acceptable time and place for alternative testing. The office of the Disabled Student Services will serve as one alternative testing site.

Exams may be scheduled during regular office hours 8:00 a.m. - 5:00 p.m., Monday through Friday with no exam scheduled to begin after 4:00 p.m. Exams should be taken at the regular class time unless a scheduling conflict exists. The student is then responsible for contacting the Coordinator of Disabled Student Services to schedule examinations. This should be done as far in advance as possible to ensure scheduling needs can be met. The instructor is responsible for delivering examinations and written test instructions to the alternative testing site in advance of scheduled exams.

A form is available to the instructor for instructions on how the exam will be delivered back to the instructor. If the student is unable to take the exam at the scheduled time, the instructor and the Coordinator of Disabled Student Services must be informed prior to the scheduled test time. The test can be rescheduled only with direct approval from the instructor.

Accessibility Accommodations
If a student with a disability enrolls in a course that is scheduled in an inaccessible location, the student should notify the Coordinator of Disabled Student Services to obtain a change in
classroom location. The coordinator will then contact the Executive Vice President and with the instructor, accessibility accommodations will be made.

Priority Enrollment
Students with disabilities are provided the option of enrolling prior to the time continuing students begin enrolling each semester. In order to obtain priority enrollment, the student must complete the enrollment form and take it to the Coordinator of Disabled Student Services. The coordinator then notifies the Registry office and enrollment is completed before scheduled enrollment time for that individual.

ADDITIONAL ACCOMMODATIONS AVAILABLE
If a student with disabilities feels he/she needs to make a class substitution, they must:

1. Make a written request to their advisor.
2. The advisor will review the request and make a recommendation to the Dean of the School.
3. The Dean of the School will review the requests and make a recommendation to the Executive Vice President who will make the final determination.
4. A completed copy will be furnished to the Registrar.

ATTENDANCE
Responsibility for attending class rests upon the student. Absence does not excuse the student from the obligation to do all the work required by the professor for the course. Attendance in class is expected. Only authorized absences will entitle students to perform makeup work. Such makeup work shall be scheduled at the discretion of the course instructor. Validity of unauthorized absences will be determined by the Vice President for Student Affairs and Enrollment Management and the instructor.

The university requires 75% attendance for credit in a course. Each instructional staff member will determine his/her attendance policy between 75 - 90% for credit in his/her course.

MEDICAL WITHDRAWAL
Students whose physical or mental health problems may affect the health, safety, and/or welfare of the University community, or who represent a danger to themselves or others, or whose continuing presence disrupts the academic or administrative process and who fail to follow the directives of the office of Student Affairs health or psychological personnel regarding these problems may be medically withdrawn from the University.

The office of Student Affairs and Enrollment Management may suspend immediately any student in question pending the outcome of the specified instructions and/or examinations. These exams must be paid for by the individual examined or by any agency other than Northwestern Oklahoma State University. Refusal by the student to submit to the instructions and/or exams or an unfavorable report from the examiner may be cause for denial for admission or retention.

The student has the right to appeal the decision of the office of Student Affairs and Enrollment Management for a medical withdrawal to the Committee on Student Conduct.

DISABLED PARKING PERMITS
Temporary university disabled parking passes are available through the Vice President for Student Affairs and Enrollment Management office.

EMERGENCY EVACUATION PROCEDURES
To ensure personal safety in emergency situations, the following guidelines should be observed by students with disabilities. In advance of emergency situations, be aware of at least two exit possibilities for each location. Notify instructors and/or classmates of the type of assistance you need during an emergency situation.

In the event of a fire, immediate and complete evacuation is preferred if it can be accomplished in a safe manner. If immediate and complete evacuation is not possible, ask someone to assist you to a safe area, such as an enclosed stairwell, until emergency personnel arrive and complete evacuation. The assisting individual should stay with you until emergency personnel arrive. In addition, you should ask a second person to immediately notify emergency personnel of your location and the type of assistance required.

In the event of a tornado warning, you should utilize elevators and proceed to the lowest floor of the building. You should request assistance from instructors or classmates if needed. If elevator use is not possible, then fire evacuation procedures should be followed. Once you have reached the lowest possible floor, remain in the corridors away from windows and exterior doors.

SCHOLARSHIPS
Students who have a disability verified through the ADA Coordinator at NWOSU will be given consideration on an individual basis by the NWOSU Scholarship Committee. Appeals must be in writing and include reasons why scholarship policy cannot be satisfied.

INCIDENT REPORTING PROCEDURES
Students who believe they have inappropriate, inadequate, or exceptional services from Disabled Student Services are encouraged to and have the right to file an incident report with the Vice President for Student Affairs and Enrollment Management. Students must take the initiative to file a report on their own behalf. Students are encouraged to file a report within five (5) school days of the incident if possible. Filed incident forms will be kept confidential. Students will receive a written response within ten (10) university working days. Students are encouraged to recommend options to help rectify the issue if needed. ALL DECISIONS MAY BE APPEALED TO THE UNIVERSITY COMPLIANCE COMMITTEE. If students are not satisfied with the response, the student may file a complaint with the Office of Civil Rights in Dallas, Texas.
